

The Voice Inc announces Fully Funded University Scholarships

Press Release

Thursday 22nd December - The Voice Inc (“TVI”), a youth-driven NGO operating in major tertiary institutions in the country has announced its first ever Scholarship Program for undergraduate university students. The scholarship program commences in 2023 to 2025. Through this program, TVI will offer 3-year fully-funded scholarships to students from TVI’s partner Universities across the country in recognition of students who demonstrate exemplary qualities of leadership in community service and academic excellence. This program will support high-performing at-risk students to enable them to complete their studies successfully whilst maintaining their passion for community service.

**Maliwai Sasingian Executive
Director, The Voice Inc**

Maliwai Sasingian, Executive Director of TVI stated “Universities have long been a breeding ground for PNG’s emerging leaders and TVI is proud to deliver this Scholarship Program to our students at our partner Universities to promote the values of leadership in community service. TVI recognizes the importance of working with young leaders to help them develop a sense of purpose and to be confident in the value of their contribution to their nation by becoming active citizens and change makers at the community level. This Scholarship Program is one of a number of value-add programs TVI provides its student members across its partner Universities.”

Students at 5 Partner Universities stand to benefit from this program being the PNG University of Technology, University of Goroka, University of Natural Resources and Environment, University of Papua New Guinea and Western Pacific University.

To qualify, students must already be fulltime students in their 1st, 2nd or 3rd Year at any of the Partner University, must be below 24 years old and must complete and submit an online application form through TVI’s online portal called CleanGen Academy website at www.cleangen.org.

The scholarship application commences on Friday 23rd December 2022. Application tentative closing date is 13 of January 2023.
